

## **Bert Feuss**

Bert is an independent consultant and trusted advisor to mission-driven organizations. He brings extensive investment and foundation leadership experience helping organizations accept and manage complex assets, navigate growth, and align investment capital with mission to advance racial equity, inclusive economies, sustainable global growth and healthy communities.

Specializing in impact and place-based investing, Bert is an expert in portfolio construction across asset classes, ESG and MRI/PRI strategies, development of DEI aware policies and practices, and engaging diverse asset managers. As the former Senior Vice President of Investments at Silicon Valley Community Foundation, he stewarded asset growth from \$2 to \$10 billion, developed high-performing impact portfolios, pioneered direct impact investments from donor-advised funds, and supported the largest donor relationships.

Prior to SVCF, Bert was the Director of Professional Services at Peninsula Community Foundation. Before that he served as Senior Vice President at Franklin Templeton Investments in a variety of marketing, sales and product development roles. He holds an MBA from Golden Gate University and BS from the University of California, Davis.

Bert is a volunteer investment committee advisor to the UC Davis Foundation and The California Endowment. He also serves as business coach for Fondo Adelante clients, a San Francisco CDFI. Prior board roles include Northern California Planned Giving Council, Mission Investors Exchange and FAOG (Fiscal, Administrative, Officers Group) for community foundations.
